NATIVE PLANTS: PRESERVING PARTNERSHIPS FAIR

NATIVE PLANTS

Preserving Partnerships Community Fair

Saturday
MAY 16, 2026

2pm-4pm
Rain or Shine

Museum of the American Indian
Miwok Park

Partner Booths
MAPOM (Miwok Archeological Preserve of Marin), Alliance for Felix Cove, CNPS Marin Chapter, Marin County Free Public Library South Novato Branch, Refugia Marin, Home Ground Habitats, Better with Bunnies and Grossi Farm, Friends of Olompali, and Huukuiko, Inc./Coast Miwok Tribal Council of Marin

FREE!

This project is funded by the Marin County Parks, Open Space, and Sustainable Agriculture quarter cent sales tax Measure A.

Identify ways to partner with members of the Indigenous community and other local organizations to help promote and preserve native plants in our community. Topics of exploration: native plant gardening/landscaping, native plant seed collecting/exchange, reading resources, Indigenous community initiatives (land sovereignty movement, stewardship, TEK, use of fire), and foraging in Marin County.
